Welcome back to all our staff and children. We hope you had a seriously spooky Halloween!

SHOEBOX APPEAL

Thank you for the fantastic response to the shoebox appeal so far. Please leave any remaining shoeboxes in the school by Wed. 6th November. This is such a worthy cause and will really make Christmas for the children of Eastern Europe and Africa who are so much less fortunate than our children.

ECO COUNCIL AND SCHOOL COUNCIL

Both our councils are now up and running with members fairly voted onto each on the strength of their persuasive speeches. The **Eco Council** members are: Aine Quinn, Grace Quinn, Laoise Brogan, Orlaith McKenna, Cahir Devery and Aiden McCourt. We wish them well in their endeavours to help our school develop as an Eco school.

The **School Council** members are: Deirbhile Daly, Pearse Kerlin, Rihanna Kitchener, Seth McGirr, Aidan Donnelly and Brenainn Quinn. Good luck to this council in representing the views of all pupils to improve our school.

SCIENCE GRANT

The school has applied for and received £600 from the **Edina Trust** which provides grants for science in schools across the U.K. We have ordered science equipment for outdoor investigations and this has already arrived. We are excited to start investigating!

CASH FOR CLOBBER

In connection with Eco-Schools and in our efforts to raise money for our school, St. Eugene's have registered with the Cash for Clobber scheme. A textiles bin has been ordered which can be used by the whole community. There will be more details on this when the bin arrives.

HOMEWORK

At the recent Parent/Teacher meetings the importance of ensuring your child/children complete their homework carefully was stressed. Please check your child's homework and listen to their reading every evening. Try to ensure they complete their homework in a quiet area and at a similar time each evening if at all possible. Please sign the homework books each day. Thank you for your support in this.
